2018**

Dear Friend,
**2017 was another exciting year for the
Sinclair Lewis Foundation.**

We received a \$34,000 Minnesota Historical and Cultural Grant that resulted in the completion of a Historic Structure Report that details the steps needed to preserve the Sinclair Lewis Boyhood Home for another 100 years. A grant for \$120,000 will be written this spring, for the first phase of the restoration project. The grant requires some matching funds, and that is where your present and future support of the Foundation through your membership comes into play.

In addition, the Foundation has begun a project to install interpretive features in the Boyhood Home, including videos and "chapters" about Lewis' life. We are also beginning to plan for the 100th anniversary of the publication of Main Street in 2020, and the 29th Annual Writers' Conference.

Thank you for your continued support during these exciting years!
