2019**

Dear Friend,

2018 was an exciting year for the Sinclair Lewis Foundation!

We were awarded a \$63,000 *Minnesota Historical and Cultural Grant* that will result in detailed examination of the interior and exterior condition of both the Boyhood Home and the Carriage House. This is a pre-construction phase which, when completed, will lead to obtaining funds for the restoration of the Boyhood Home in 2020. These grants require some matching funds, and that is where your present and future support of the Foundation helps us to preserve the Sinclair Lewis Boyhood Home for another 100 years!

With your support last year, we were able to improve our interpretive displays in the Boyhood Home to include chapters of Lewis' life with a new monitor and cabinet. *We are also making plans for the 100th anniversary of the publication of Main Street in 2020, as well as the 30th Annual Sinclair Lewis Writers' Conference.*
